THE SALMAGUNDI CLUB

THE SALMAGUNDI CLUB. ORIGINATING IN 1871 AS A SKETCH CLASS IN JONATHAN SCOTT HARTLEY'S STUDIO. PURCHASED THIS MID-NINETEENTH CENTURY BROWNSTONE HOUSE IN 1917 AS ITS FIRST PERMANENT HOME. IT WAS CITED IN 1957 FOR ITS ARCHITECTURAL DISTINCTION BY THE SOCIETY OF ARCHITECTURAL HISTORIANS AND THE MUNICIPAL ART SOCIETY.

PLAQUE ERECTED 1958 BY
THE NEW YORK COMMUNITY TRUST

"Salmagundi is first and foremost an artists' club, and Salmagundians are, for the most part, residents of New York. But members are to be found the length and breadth of the country, and as far away as London, Amsterdam, Toronto, and Lisbon. They represent every area of contemporary life, from the related fields of literature, music, drama, communications, to industry, finance, education, private business and government service.

The Club derives its name from a time, over a hundred years ago, when the American reading public was relishing the wit and wisdom of a miscellany by Washington Irving, "The Salmagundi Papers." Any potpourri, in those days, became, by inference, "salmagundian."

It happened that a small group of painters known as "The New York Sketch Club" had fallen into the habit of dining on Saturday nights at the home of Alice Don Levy, daughter of the eminent painter, Joseph Kyle, whose self-portrait hangs in the Metropolitan Museum. Alice had great skill as an artist herself, particularly in the area of cuisine. She served a stew compounded of so many variegated items that it became a matter of course to label Alice's tureen "Salmagundi Stew." One evening in 1871 her devotees decided gallantly to re-name themselves in her honor!

Tales are legendary of the evenings of intellect that colored those gatherings at the turn of the century. In club-rooms rented from year to year in the elegant brownstones of lower Manhattan, eminent painters came to dine and talk art, to exhibit, to criticize and be criticized.

Early in those migrations, there began to evolve something known as the Salmagundi Spirit...a contagion of pleasure in the creative mind and its social interchange. It flowed through evenings when men like John La Farge, Albert Ryder, George Inness, William M. Chase, Louis C. Tiffany and Stanford White were living presences under Salmagundi's roof.

The brownstones have given way to the sky-scrapers and luxury apartment buildings that now shape the face of lower Fifth Avenue and Washington Square. The sedate mansion at 17 West 12 Street, Salmagundi's first "home" acquired in 1893, is only dimly remembered by today's

New Yorker. But Number 47 Fifth Avenue, into which the members moved with a flourish in the year 1917, stands intact. It is refurbished, restored, equipped with modern facilities, but is unaltered in spirit.

Today's New Yorker, mounting the stairway between the gas-lamps, feels it as he enters the historic doorway. What lies behind that doorway is an essence, a flavor, subtle, unique...in a word "Salmagundian."...
